

Razieh Fatehi

Date of Birth: 1989

Nationality: Iranian

Email: razieh.fatehi@gmail.com

Education

M.Sc. in Human Genetics, Isfahan University of Medical Sciences, 2012-2016.

B.Sc. in Molecular Biology-Genetics, University of Isfahan, 2007-2011.

Field of interest

Linkage analysis

Systems biology

Research Projects

2017-Present

Collaboration in research projects.

2014-2015

Assessment of the efficiency of microsatellite markers located within and the vicinity of the pkd1 gene for diagnosis of autosomal dominant polycystic kidney disease type 1.

Journal Publications

Fatehi R, Khosravi S, Abedi M, Salehi R, Gheisari Y. Heterozygosity analysis of polycystic kidney disease 1 gene microsatellite markers for linkage analysis of autosomal dominant polycystic kidney disease type 1 in the Iranian population. *J Res Med Sci Off J Isfahan Univ Med Sci.* 2017; 22:102.
